

| Name of Course | Full Certificate / Stackable / SACE | Delivery Mode | Brief Description | Duration | Term/Day/ Time | SACE credits | Cost | RTO |
|--|--|--------------------------------|--|------------|--|-------------------------|---|-------------|
| Certificate III in Screen and Media (CUA31020) (Subsidised Training) | FULL Certificate EOI and PART A REFERRAL FORM required (VETRO) | Face-to-Face at TSC | This course allows students to develop skills in the visual design process, video games & other media. Students will have the opportunity to produce designs for characters, costume, props, vehicle and environments – both in 2D & 3D & in a simulated studio setting. Students develop skills in collaboration & the creative design process that will allow them to work effectively in the creative industry and produce work suitable for a portfolio that will assist them in further study or work. | 1 Year | Tuesday or Thursday 8:50am – 5:00pm (subject to change) | 70 Stage 2 credits | \$400 + \$90 RTO Administration Fee | TSC - 40117 |
| Certificate III in Information Technology (ICT30120) (Subsidised Training) | FULL Certificate EOI and PART A REFERRAL FORM required (VETRO) | Face-to-Face at TSC | This course provides skills and knowledge for students to become competent in a wide range of general information and communications technologies (ICT) and technical functions. The experience gained in this course enables students to achieve a degree of self-sufficiency as an advanced ICT user. A person with this certificate would have the skills to work effectively in an ICT environment and knowledge of critical, creative thinking skills, privacy policies and communicating with clients. | 1 Year | Tuesday 8:50am – 5:00pm (subject to change) | 60 - 70 Stage 2 credits | \$400 + \$90 RTO Administration Fee | TSC - 40117 |
| Certificate III in Information Technology (Traineeships) (ICT30120) | FULL Certificate EOI and PART A REFERRAL FORM required | Face-to-Face at TSC | Application into this course through DfE / MEGT – Further Education and Pathways team. | 18 Months | Wednesday 8:50am – 5:00pm (subject to change) | 65 Stage 2 credits | Subsidised Training Invoice MEGT \$400 | TSC - 40117 |
| Certificate II in Construction Pathways (Subsidised Training) (CPC20220) | FULL Certificate EOI and PART A REFERRAL FORM required (VETRO) | Face-to-Face at TSC | In this course, students participate in a wide range of activities designed to develop basic knowledge and skills in building and construction trade areas, including bricklaying, wall lining, carpentry and timber frame construction. They also develop skills to work safely in a building site. Students become familiar with a wide range of tools and equipment, work in a simulated work environment and participate in work placement on building sites. | 1 Year | Semester 1 & 2 Tuesday OR Friday 8:50am-4:00pm (subject to change) | 40 Stage 1 credits | \$400 + \$90 RTO Administration Fee + \$35 white Card training fee | TSC - 40117 |
| Certificate II in Workplace Skills (BSB20120) | FULL Certificate EOI required | Face-to-Face at TSC | This course will help students understand the role and responsibility of administration support. These skills will enable students to perform a range of routine administrative tasks including WHS processes, customer service, information management, interpersonal communication, word processing, computing and work practices. | 1 Year | Tuesday 8:50am-3:05pm (subject to change) | 40 Stage 1 credits | \$400 + \$90 RTO Administration Fee | TSC - 40117 |
| Certificate II in Engineering Pathways (MEM20413) | FULL Certificate | Face-to-Face at TSC | Students interested in exposure to an engineering or related working environment with a view to entering employment in that area | 1 Year | Wednesday 8:00am – 4:00pm (subject to change) | 50 Stage 1 credits | PEER course fee: \$636 + host school fee \$300 + RTO admin fee \$90 | PEER - 0727 |
| Certificate II in Electrotechnology-Career Start (UEE22020) | FULL Certificate | Face-to-Face at TSC | This course provides students with knowledge and skills to enhance their entry level employment prospects for apprenticeships, traineeships or general employment in an electrical related workplace | 1 Year | Wednesday 8:00am – 4:00pm (subject to change) | 55 Stage 1 credits | PEER course fee: \$636 + host school fee \$300 + RTO admin fee \$90 | PEER - 0727 |
| Gateway2Screen and Media | SACE | Face-to-Face at TSC | Gateway 2 Screen and Media is directed at year 10 students contemplating future studies in screen and media and leads towards an entertainment design pathway developed with CDW Studios. This course focuses on developing fundamental skills needed to continue this pathway. Students will also have opportunities to participate in CDW workshops and meet industry professionals. | 1 Semester | Semester 2 only Tuesday and Thursday 3:30pm – 5:00pm (subject to change) | 10 Stage 1 credits | \$100 + \$90 RTO Administration Fee | |
| Gateway2Film & Television | SACE | Face-to-Face at TSC | Gateway2Film & Television is directed to year 10 students wanting to explore different roles in Film and Television production. The course provides students with foundational knowledge and skills to undertake further studies in Screen and Media through practical learning and experience in a simulated work environment. | 1 Semester | Semester 1 & 2 Tuesday 8:50am – 3:05pm (subject to change) | 10 Stage 1 credits | \$100 + \$90 RTO Administration Fee | |
| Gateway2Trades | SACE | Face-to-Face at TSC | This course assists students in building their knowledge base and developing work-ready skills in a simulated trade context. Students will gain appreciation of the range of trades that are available and wide variety of career options and tertiary study options that a trade can lead to. | 1 Semester | Semester 1 & 2 Thursday 8:50am-3:05pm (subject to change) | 10 Stage 1 credits | \$100 + \$90 RTO Administration Fee | |
| Gateway2Technology | SACE | Face-to-Face at TSC | This course provides skills and knowledge for Year 10 students in various areas of information technology. Students will gain introductory experience in cloud computing, cyber security, web development and networking. This will assist students in building their knowledge base and developing work-related IT skills for further study in the area of technology. This course prepares and provides a 'taster' experience for each of the four streams delivered in the Certificate III in Information Technology at Thebarton Senior College. | 1 Semester | Semester 2 only Day TBA (subject to change) | 10 Stage 1 credits | \$100 + \$90 RTO Administration Fee | |
| Cyber Security Awareness | STACKABLE VET | Face-to-Face at TSC OR Virtual | BSBCRT311 Apply critical thinking skills in a team environment BSBXCS301 Protect own personal online profile from cyber security threats BSBXCS303 Securely manage personally identifiable information and workplace information BSBXCS402 Promote workplace cyber security awareness and best practices | 1 Semester | TBA (subject to change) | 20 Stage 2 credits | \$400 + \$90 RTO Administration Fee | TSC - 40117 |
| Cloud Computing | STACKABLE VET | Face-to-Face at TSC OR Virtual | ICTCLD301 Evaluate characteristics of cloud computing solutions and services BSBXCS303 Securely manage personally identifiable information and workplace information ICTPRG302 Apply introductory programming techniques ICTSAS308 Run standard diagnostic tests | 1 Semester | TBA (subject to change) | 20 Stage 2 credits | \$400 + \$90 RTO Administration Fee | TSC - 40117 |
| Web Development | STACKABLE VET | Face-to-Face at TSC OR Virtual | Students explore the development of simple web pages and sites through an Integrated Development Environment. Students practice building web sites using front end development techniques via HTML and CSS. They manipulate and optimise images for use in the sites they create and develop experience in comparing, configuring and using different types of social networking tools and applications to increase web presence. | 1 Semester | TBA (subject to change) | 10 Stage 2 credits | \$400 + \$90 RTO Administration Fee | TSC - 40117 |
| Intro to Business | STACKABLE VET | Face-to-Face at TSC | BSBCRT201 Develop and apply thinking and problem-solving skills BSBTEC201 Use business software applications BSBTEC202 Use digital technologies to communicate in a work environment BSBOPS201 Work effectively in business environments | 1 Semester | TBA (subject to change) | 20 Stage 1 credits | \$400 + \$90 RTO Administration Fee | TSC - 40117 |
| Advanced Business - Documents | STACKABLE VET | Face-to-Face at TSC | Students deepen their knowledge and skills in relation to routine business processes and practices to be able to provide some technical advice and support to a team. They produce a range of documents to support business operations and further develop their communication and customer service skills. | 1 Semester | TBA (subject to change) | 20 Stage 2 credits | \$400 + \$90 RTO Administration Fee | TSC - 40117 |

Please note all student enrolments will incur an RTO Administration fee of \$90 per student.

All invoices will be sent to home schools unless stated otherwise. Thebarton Senior College **will not** invoice students/parents directly.

These costs are correct at the time of publication and are subject to change without notice.

Courses will only run with 12 or more students enrolled.

All students enrolling into Subsidised Training courses also require a suitability survey (attached) and a photo ID and address confirmation (example attached)

All students **must** complete an Expression of Interest form. Please find link below.

"Thebarton Senior College 2024 VET Expression of Interest Form":

<https://forms.office.com/r/Gzwz6T1VfF>
